

NGXINGXOLO SOCIAL BAMBOO CARBON PROJECT

AUDIT REPORT: ADDENDUM

PREPARED BY: BRETT COHEN, INDEPENDENT CLIMATE CONSULTANT
BRETT@THINKA.CO.ZA, TEL: +27(0)72 434 2208

Further to my audit report produced for the Ngxingxolo Social Bamboo Carbon Project, in which concerns were raised particularly with the sampling of soil carbon, I believe that 25% of the original carbon estimates represents a conservative, but prudent estimate of the carbon credits that can be awarded to this project. Sampling should be conducted again within 12 months and readjustments conducted if necessary.

A handwritten signature in black ink, appearing to read "Brett Cohen", with a horizontal line underneath.
